

BUCKETS

AUSTRALIAN MADE

and build to last

The unique ShawX design of ShawX Manufacturing's buckets gives you high productivity with less machine fuel burn and reduces the wear on your attachment. With Bisalloy wear parts and extra thick wear strips, our buckets are heavy-duty and made to last.

ShawX Buckets are:

- ✓ 100% Australian made.
- ✓ Strong and durable.
- ✓ Quality designed and tested.
- ✓ Custom made to your requirements with quick turn around and delivery.
- ✓ Suitable for all kinds of earthmoving machinery.
