

# RIPPERS

## HEAVY DUTY RIPPERS

### Built to your needs

ShawX rippers are custom designed and we make rippers to suit your specifications and applications.

Their strength and durability are ideal for ripping rock, breaking tight ground, tearing tree roots and pulling up concrete and footings.

ShawX Rippers are:

- ✓ 100% Australian made.
- ✓ Strong and durable.
- ✓ Low maintenance.
- ✓ Quality designed and tested.

## FEATURES

- ✓ Heavy-duty full through headplate.
- ✓ Lifting eye hook.
- ✓ Full through shank design for added strength.
- ✓ Front shank and side wear plates / protectors.
- ✓ CAT d-series ripper boot.
